

HGH Mechanical | Bel Air, HVAC Contractors in Baltimore MD

2107 Emmorton Park Dr, #111
Edgewood
MD 21040

Phone: 410-679-3794

HGH Mechanical is a full service heating and air conditioning service, sales and repair contractor serving northern Maryland since 1993. We are leaders in the residential and the light commercial HVAC industry in and around the Baltimore Metropolitan area. With high sales and a reputation for diagnosing and servicing HVAC equipment and systems promptly and correctly, our reviews speak for themselves. We sell high-quality, state-of-the-art equipment that is energy efficient and environmentally safe. We are committed to our customers, and accordingly, we concentrate our efforts on servicing the equipment we sell with trained technicians. One specialty is propane fireplace installation. Call HGH for all your HVAC sales and repair needs in Bel Air, Baltimore, and the surrounding areas. Click to see our HVAC customer reviews
